CLS Application Instructions for Current UNC Students

The Clinical Laboratory Science program uses an on-line application.
Here is some information to help you navigate the system:

Applicant Type

Level of Study: Select Undergraduate
Type of Applicant: Select: "Current UNC-CH undergraduate student applying to transfer into a UNC-CH professional school"

Plans for Undergraduate Study

Select a major: Clinical Lab Science
Term of entry: Fall
Deadline: There are three deadlines listed. Applicants who submit their application by the first deadline will receive first consideration for positions in the program. Applicants applying for later deadlines will be considered if positions are available in the program.

Educational History

Looking up the school code works best if you type in the state abbreviation (e.g. NC) and then search for all the programs in that state.

Uploaded documents

You will be asked to upload a copy of your transcript and your resume.

Supplemental documents

Information on the CLS program is found when you "CLICK HERE" under "Programs for intra-university transfer to professional schools for current UNC-CH Students"

Go to the **Downloadable forms** on the menu bar. Click on "UGRD Clinical Lab Science Supplement". (This document is also available on the CLS website.)
Save a copy of the form to your computer.
Compete the form and then upload it in the supplemental documents section of the application.

Recommendations

The CLS program requires two letters of recommendation from individuals who are qualified to evaluate academic and professional achievements.

Submission

After you enter the information on your recommenders, go to the "Check your Application" section on the menu. Then submit your application.

Payment Voucher

There is no application fee for UNC-CH students applying to transfer to the CL S program.
