Announcing…

CAMP CELEBRATE 2014!

Where all survivors are Champions!!

May 15-18, 2014

You are invited to apply to become a ***Counselor In Training*** **(CIT)** for CAMP CELEBRATE 2014!

Come join us for a weekend of traditional fun camp activities
while meeting other burn survivors your own age.
Be an important part of the oldest burn camp in the United States!
This event is free for all campers and CIT's!
CAMP CELEBRATE campers are burn survivors ages 7-15, and CIT's must be 16 or 17
Camp is held at the YMCA's Camp Kanata in Wake Forest, NC

Our theme this year is ***Camp Celebrate Olympics***, and it's going to be awesome!

You are receiving this invitation because you have been a camper at CAMP CELEBRATE before or because we really want you to get involved now! We really want ***you*** *to consider learning to be a counselor to the younger kids.*

CIT's are a very important part of this exciting weekend. This is a great time to take on some responsibility, learn about leadership, become a role model and take the first steps to being a Camp Counselor. We will give you the training and support you need to have a great time while making a difference in the lives of younger burn survivors.

To request a CIT application, please complete and mail in the tear-off portion of the CAMP CELEBRATE brochure or download the CIT application found on the North Carolina Jaycee Burn Center website
