How to prepare for your visit

- Bring your medicine calendar from your last clinic visit
- Bring your UNC medical record card
- Bring your insurance card
- Bring your medicines and let your provider know if you need refills
- Bring your glucose meter if you have one
- Make a list of questions you may have for your provider
  1. What is my main problem?
  2. What do I need to do?
  3. Why is it important for me to do this?
- Bring records from any recent doctor visits or hospital stays if you are seen somewhere other than UNC
- Take your medicines as you usually do the day of your visit
