Olafur S. Palsson, Psy.D.

Publication List

(Updated August 2004)

AUTHORSHIP OF BOOK CHAPTERS

Pope, A.T. and Palsson, O. (2003). **Converging Technologies for Physiological Self-regulation**. In Roco, M.C. and Bainbridge, W.S. (eds.) Converging Technologies for Improving Human Performance: Nanotechnology, Biotechnology, Information Technology and Cognitive Science. Dordrecht, The Netherlands: Kluwer Academic Publishers, 260- 270.

Palsson, O.S. & Collins, R. (2002). **Functional bowel and anorectal disorders.** In Moss, D., Wickramasekera, I.E., Davies, T.C., McGrady A. (eds.) *Handbook of Mind-Body Medicine for Primary Care,* pp. 299-311.Thousand Oaks, CA: Plenum.

Palsson, O.S. (2002). **Urinary incontinence.** In Moss, D., Wickramasekera, I.E., Davies, T.C., McGrady A. (eds.) *Handbook of Mind-Body Medicine for Primary Care,* pp. 312-321. Thousand Oaks, CA: Plenum.

Davies, S. M. & Palsson, O.S. (2002). **Medical education for mind-body medicine.** *Handbook of Mind-Body Medicine for Primary Care,* 443-448. Thousand Oaks, CA: Plenum.

PAPERS PUBLISHED AND IN PRESS

Palsson, O.S., Morteau, O., Bozymski, E.M., Woosley, J.T., Sartor, R.B., & Whitehead, W.E. (in press). Elevated vasoactive intestinal peptide concentrations in patients with irritable bowel syndrome. *Digestive Diseases and Sciences, 49* (7-8): 1236-1243.

Palsson, O.S., Heymen, S., & Whitehead, W.E. (in press). Biofeedback treatment for functional anorectal disorders: A comprehensive efficacy review. *Applied Psychophysiology and Biofeedback.*

Palsson, O.S. (2004). Psychological treatments for functional gastrointestinal disorders: Current status. *Functional Brain-Gut Newsletter, 32,* 16-38**.**

Moss, D., Sella G.E., Andrasik, F., Donaldson, S., Lehrer, P., Palsson O.S., Peper, E., & Sterman M.B. (2004). Current applications of biofeedback to physical medicine and rehabilitation. *Europa Medicophysica*, *4*(4):

Whitehead W.E, Levy R., Von Korff M., Feld A., Palsson O.S., Turner M.J., Drossman, D.A. (under review). Standard medical management of irritable bowel syndrome. *American Journal of Gastroenterology.*

Palsson O.S. Rabiner D., Freer P. (in press). Neurofeedback as an aid to enhance attention and improve behavior. *Attention! Magazine.*

Whitehead, W.E. & Palsson, O.S. (in press). Treatment of functional gastrointestinal disorders: Advantages of a combined medical-psychiatric approach. *Journal of Psychosomatic Research.*

Palsson, O.S., Heymen, S., & Whitehead, W.E. (under preparation). Review of biofeedback treatments for functional bowel and anorectal disorders.

Whitehead, W.E., Bassotti, G., Palsson, O.S., Taub, E., Drossman, D. A. (in press). Factor analysis of bowel symptoms in U.S. and Italian populations. *Digestive and Liver Diseases.*

Palsson, O.S. (Summer, 2003). Results of a national survey of the effects of changes in female sex hormones on irritable bowel syndrome. *Digest, Newsletter of the UNC Center for Functional GI and Motility Disorders, 1-6.*

Palsson, O.S. & Whitehead, W.E. (2002). The growing case for hypnotherapy as adjunctive therapy for functional gastrointestinal disorders. *Gastroenterology, 123(6):2132-2147.* Editorial.

Palsson, O.S., Turner, M.J., Johnson, D.A., Burnett, C.K., & Whitehead, W.E. (2002). Hypnosis treatment of severe irritable bowel syndrome: Investigation of mechanism and effects on symptoms. *Digestive Diseases and Sciences,* 47(11): 2605-2614.

Palsson, O.S. & Pope, A.T. (2002). Morphing beyond recognition: The future of biofeedback technologies. *Biofeedback,* 14(30), 14-18.

Whitehead, W.E., Palsson, O.S. & Jones, K.R. (2002). Systematic review of the comorbidity of irritable bowel syndrome with other somatic disorders: What are the causes and implications? *Gastroenterology,* 122(4):1140-56. Review.

Palsson, O.S. (2002) Hypnosis treatment of irritable bowel syndrome. *Participate*, Newsletter of the International Foundation for Functional Gastrointestinal Disorders, *11*(3), 4-6.

Palsson, O.S. & Whitehead (in press). IBS beyond the bowel: The meaning of co-existing disorders. *Digest, Newsletter of the UNC Center for Functional GI and Motility Disorders, 8-11.*

Palsson, O.S. Irritable bowel syndrome and quality of life (Fall 2002)**.** *Digest, Newsletter of the UNC Center for Functional GI and Motility Disorders, 8-11.*

Gibbs-Gallagher, N.A., Palsson, O.S., Levy R.L., Meyer K., Drossman, D.E. & Whitehead, W.E (2001). Selective recall of gastrointestinal sensation words: Evidence for a cognitive-behavioral contribution to irritable bowel syndrome. *American Journal of Gastroenterology, 121, 799-804*.

Palsson, O.S. (2001). The effects of hypnosis on the gastrointestinal tract. *Digest, Newsletter of the UNC Center for Functional GI and Motility Disorders,* 6(1), 1-13.

Palsson, O.S. & Whitehead, W.E. (Spring 2002). Hormones and irritable bowel syndrome. *Digest, Newsletter of the UNC Center for Functional GI and Motility Disorders,, 1-8.*

Palsson,O.S. (1999). Altered visceral perception in irritable bowel syndrome. *Practical Gastroenterology*, *23*(3), 52-63.

Palsson, O.S. (1999). The role of visceral hypersensitivity in IBS has not been established: A response to Dr. Quigley's article. *Practical Gastroenterology, 23*(3*),* 51.

Palsson, O.S. & Davies, S.M. (1999). Building mind-body bridges in medical school: A model. *Biofeedback, 27*(1), 21-23.

Palsson, O.S. & Davies, T.C. (1999). Behavioral health services providers in primary care: Innovative models of health care and service delivery. *Biofeedback, 27*(1),14-20.

Boregowda, S.C., Tiwari, S.N., Palsson, O.S., & Downing, B.K. (1999). Measuring the effects of information processing on psychophysiological stress responses. Proceedings of the 37th AIAA Aerospace Sciences Meeting. Reno, Nevada, AIAA paper no. 99-0980.

Whitehead, W.E., & Palsson, O.S. (1998). Is rectal sensitivity a biological marker for irritable bowel syndrome: Psychological influences on pain perception in irritable bowel syndrome. *Gastroenterology, 115 (5),* 1263-1271. Review.

Whitehead, W.E., Crowell, M.D., Davidoff, A.L., Palsson, O.S., & Schuster, M.M. (1997). Pain from rectal distension in women with irritable bowel syndrome: Relationship to sexual abuse. *Digestive Diseases and Sciences*, *42*(4), 796-804.

Palsson, O.S. (1996). Soothing the gut with hypnosis. *Virginia Hypnosis Society Newsletter***,** *5(1), 5.*

Palsson, O.S. (Spring 1996). The high risk model of threat perception as a framework for the development of treatments for psychophysiological disorders. *Biofeedback,24*(1*),*14-17.

Palsson, O.S. (1994). The utilization of hypnosis in dentistry. *Hardjaxl, Journal of the Icelandic Dental Students Association, 30,* 39-42.

Boregowda, S.C., Tiwari S. N., Chaturwedi S. K., & Palsson, O.S. (1997). An innovative approach to measuring and monitoring human stress levels in man/machine interactions. Proceedings of the 18th National Conference of the American Society of Engineering Management. Virginia Beach, VA.

RESEARCH ABSTRACTS PUBLISHED AND IN PRESS

Whitehead, W.E., Palsson, O.S., Levy, R.L., Feld, A.D., Von Korff M, Turner M.J., Drossman, D.A., & Crowell, M.D. (2004). Identification of irritable bowel (IBS) patients with alternating bowel habits. Gastroenterology, 126(4), Suppl 2: A-369.
