MCLS- MDS Application Instructions
The application for the Masters in Clinical Laboratory Science – Molecular Diagnostic Science track, uses an on-line application. Here are few suggestions for navigating the system:

Applicant Type
Level of Study: Select Graduate
Type of Applicant: For most students this will be “new degree seeking applicant”

Plans for Graduate Study
• Select a major: Clinical Lab Science – Molecular Diagnostic Science
• Select a degree: Masters in Clinical Laboratory Science – Molecular Diagnostic Science
• Are you applying for a dual degree: Select no
• Area of Specialization – click on Clinical Lab Science – Molecular Diagnostic Track
• Term of entry: Fall

Deadline: There are three deadlines listed. Applicants who submit their application by the first deadline will receive first consideration for positions in the program. Applicants applying for later deadlines will be considered if positions are available in the program.

Educational History:
Looking up the school code works best if you type in the state abbreviation (e.g. NC) and then search for all the programs in that state.

Pre-requisite courses: The pull down menu lists the pre-requisite courses. Add your information here.

Uploaded documents:
You will be asked to upload a copy of your transcript and your resume.

Supplemental documents
Go to the Downloadable forms on the menu bar. Click on “Masters in Clinical Lab Science Supplement”
This document is also available on the CLS website
Save a copy of the form to your computer
Compete the form and then upload it in the supplemental documents section of the application

Recommendations
The MCLS-MDS program requires two letters of recommendation from individuals who are qualified to evaluate academic and professional achievements.

Submission
After you enter the information on your recommenders, go to the “Check your Application” section on the menu. Then submit your application.
