

Table 1. Costs for collecting kinematic data using real time videographic system.

| Category | Item | Unit | With assisted data collection | With preparation for data collection | Data collection only |
|-------------------------|---------------------------------|-----------------|-------------------------------|--------------------------------------|----------------------|
| Lab Technician | Assisted data collection | \$/Hour | 27.75 | | |
| | Preparation for data collection | \$/Session | 6.94 | 6.94 | |
| Material and Supplies | Reflective markers | \$/Subject/test | 1.00 | 1.00 | 1.00 |
| | Tapes | \$/Subject/test | 1.00 | 1.00 | 1.00 |
| | Sprays | \$/Subject/Test | 0.50 | 0.50 | 0.50 |
| Maintenance & contract* | Video system | \$/Hour | 3.85 | 3.85 | 3.85 |
| Equipment depreciation* | Video system | \$/Hour | 8.00 | 8.00 | 8.00 |

Table 2. Costs for collecting kinetic data using force plates.

| Category | Item | Unit | With assisted data collection | With preparation for data collection | Data collection only |
|-------------------------|---------------------------------|------------|-------------------------------|--------------------------------------|----------------------|
| Lab Technician | Assisted data collection | \$/Hour | 27.75 | | |
| | Preparation for data collection | \$/Session | 6.94 | 6.94 | |
| Maintenance & contract* | Force plate system | \$/Hour | 3.85 | 3.85 | 3.85 |
| Equipment depreciation* | Force plate system | \$/Hour | 2.50 | 2.50 | 2.50 |

Table 3. Costs for collecting electromyography (EMG) data.

| Category | Item | Unit | With assisted data collection | With preparation for data collection | Data collection only |
|-------------------------|---------------------------------|------------------------|-------------------------------|--------------------------------------|----------------------|
| Lab Technician | Assisted data collection | \$/Hour | 27.75 | | |
| | Preparation for data collection | \$/Session | 6.94 | 6.94 | |
| Material and Supplies | Electrodes | \$/Muscle/Subject/test | 2.00 | 2.00 | 2.00 |
| | Tapes | \$/Subject/test | 2.00 | 2.00 | 2.00 |
| | Sprays | \$/Subject/Test | 1.00 | 1.00 | 1.00 |
| Maintenance & contract* | EMG system | \$/Hour | 3.85 | 3.85 | 3.85 |
| Equipment depreciation* | EMG system | \$/Hour | 1.50 | 1.50 | 1.50 |

Table 4. Costs for using the instrumented treadmill.

| Category | Item | Unit | With assisted data collection | With preparation for data collection | Data collection only |
|------------------------|---------------------------------|------------|-------------------------------|--------------------------------------|----------------------|
| Lab Technician | Assisted data collection | \$/Hour | 27.75 | | |
| | Preparation for data collection | \$/Session | 6.94 | 6.94 | |
| Maintenance & contract | Instrumented treadmill | \$/Hour | 3.85 | 3.85 | 3.85 |
| Equipment depreciation | Instrumented treadmill | \$/Hour | 2.50 | 2.50 | 2.50 |

Table 5. Costs for using the virtual reality system.

| Category | Item | Unit | With assisted data collection | With preparation for data collection | Data collection only |
|------------------------|---------------------------------|------------|-------------------------------|--------------------------------------|----------------------|
| Lab Technician | Assisted data collection | \$/Hour | 27.75 | | |
| | Preparation for data collection | \$/Session | 6.94 | 6.94 | |
| Maintenance & contract | Virtual reality system | \$/Hour | 1.92 | 1.92 | 1.92 |
| Equipment depreciation | Virtual reality system | \$/Hour | | | |
