How your **LOYALTY FUND** donations were invested in fiscal year 2009–2010

ON BEHALF OF THE UNC MEDICAL ALUMNI ASSOCIATION, we wish to express our gratitude for your support of the Loyalty Fund this past year.

The 2010–11 academic year is upon us and we welcome our medical students back to their classrooms and clinics. We also usher in a new group of first-year students filled with tremendous drive, coupled with a little uncertainty you can likely recall from your first few days of medical school. During this time of great optimism and promise, we turn to you and say thanks.

Your gift to the Loyalty Fund provides an unrestricted resource primarily designated for medical student scholarships and other educational activities for which no other funding source exists. The Loyalty Fund also sponsors alumni outreach programs such as alumni weekends in Chapel Hill and alumni socials in towns throughout the state, allowing you to stay in contact with your medical school and each other.

Your support in the face of continued economic difficulty over the past fiscal year made 2009–10 a record-breaking success. **You created 56 scholarship opportunities** for medical students based on merit, leadership, and/or financial need. **You provided leadership by volunteering** your time and encouraging other alumni to support the Loyalty Fund. **You invested in the next generation** of UNC-trained physicians. Your annual gift, regardless of amount, serves as a pillar of support for today's medical students and for the future of medicine at UNC.

With great appreciation,

Your annual gift provides a dependable source of funding with the flexibility to be allocated as the needs of the students and institution change. The Medical Alumni Affairs Office, National Loyalty Fund Steering Committee, and UNC Medical Alumni Council meet annually to discuss these needs and appropriate the Loyalty Fund accordingly. Therefore, the Loyalty Fund ultimately supports the programs you, as alumni, consider most beneficial for our medical students.

Your donations contributed to a record-breaking success, generating \$874,000. Funds raised in excess of our total expenses are utilized for future scholarship and student program support.

Scholarships are awarded based on merit, leadership and/or financial need.

Alumni contributions at the scholarship level are combined with annual gifts from all alumni to yield a full scholarship. Your generosity, at any level, makes a difference and contributes to the success of the next generation of UNC-trained physicians.

“The friendships formed between fellow students and faculty while I was at UNC School of Medicine and what I learned from those friends has been an ongoing source of inspiration to me over many years. My gifts to The Loyalty Fund are one way I try to support and say thank you to all of those friends from Chapel Hill who have always graciously helped me.”
