

**Coding and Compliance Certification
Division of Neonatal-Perinatal Medicine
New Faculty and those being Re-credentialed by UNC Hospitals**

Please Print, Sign and Return to:

The Department of Pediatrics Credentialing Coordinator

This certification fulfills the standard Coding and Compliance training requirement for credentialing and re-credentialing for medical staff privileges at UNC Hospitals.

This is to confirm that I have reviewed the PowerPoint presentation "Neonatology Coding Presentation" (see link at this web site) and have participated in at least one coding quality assurance session with the UNC P&A coder assigned to Division of Neonatal-Perinatal Medicine.
