- You are now on Market Street in Southern Village. Continue up the hill to the yield sign and enter Market Street square. Stay in the right lane and keep going straight.
- Market Street then becomes a loop that goes around a bunch of shops and restaurants. UNC Dermatology is located at the top of this loop at 410 Market Street. If you look for the Subway Restaurant on the right, 410 Market is shortly past there at the top of the hill, between the Merlion Restaurant and the Town Hall Grill.
- You are welcome to park anywhere. If there is no parking available directly in front of the building, there is a parking deck entrance at the rear of the building.

The street level entrance to 410 Market Street is the 3rd Floor. Walk to the rear of the lobby and take the elevator to the 4th Floor. Go right off the elevator and the entrance to UNC Dermatology will be on your right.

**PARKING DECKS:** Small white signs with green lettering are posted at the corners along the sidewalk to direct patients to the parking deck entrance. Turn right just past the building and right again to enter deck.
