## Scholarships

Limited scholarship money has been made available courtesy of special funding. To submit a request for scholarship, please check the box on the online registration form with a paragraph stating your need for scholarship funds to be able to participate in this year's Carolina Summer Institute.

## Description:

The Carolina Summer Institute is composed of two different sections. The first section is a 3 day module on UNC campus. Following those 3 days, a hands on practicum section will begin at CASTLE. Applicants can apply for the first 3 days only (module portion) OR for the entire institute (module and practicum portion combined).

This year's Institute will provide instruction and training to audiologists, speech-language pathologists, and teachers of the deaf who wish to develop their skills in Auditory-Verbal Therapy, a listening and spoken language approach for children with hearing loss.

Faculty will present modules for professional training from the Auditory Verbal International, Inc. Standardized Curriculum. The module *Development of an Auditory Function / Auditory-Verbal Techniques* (Copyright © 2001 by Auditory-Verbal International. All Rights Reserved) is scheduled for presentation.

The following special topics designed to support the practice of Auditory-Verbal Therapy will be covered during the practicum week:

- *Planning and Implementing the Auditory-Verbal Session*
- *The Development of an Auditory Feedback Loop: Strategies for Speech Babble and Critical Elements*
- *Beyond Input: Strategies for the Elicitation of Specific Vocabulary and Language Targets*

Training will occur through lectures, discussions, videotape analysis, self-study and hands-on practicum experiences with children who are enrolled in Auditory-Verbal Therapy and their families.

Now in its fifteenth year, the *Carolina Summer Institute* has provided training in the principles and practice of Auditory-Verbal Therapy to over two hundred professionals from around the country.

For more information, please contact Hannah Eskridge, MSP, CCC-SLP, LSLS Cert. AVT at 919-419-1428, [heskridg@unch.unc.edu](mailto:heskridg@unch.unc.edu)

Preference will be given to residents of North Carolina; however, professionals from out-of-state are encouraged to apply. The deadline for application to the Institute is **Friday, March 30, 2012**. Participants are encouraged to apply as early as possible to be considered.

Applicants will be notified of their acceptance into the Institute by **Monday, April 9, 2012**.

### Food, Lodging, & Parking

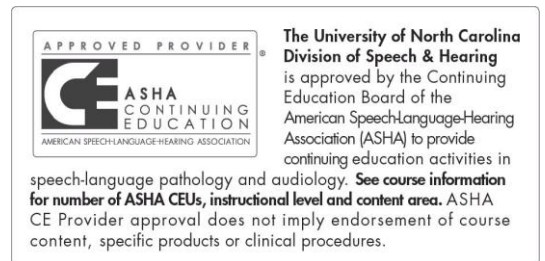

Institute participants are responsible for their own food, parking, and lodging. A number of rooms will be blocked at various hotels including on campus housing. UNC-Chapel Hill has ample canteens and eating facilities. At CASTLE, course participants will have access to a refrigerator to store lunches and a microwave as well as several local restaurants. (DETAILS regarding lodging will be included with acceptance emails.)

**The classroom workshop material during the first week will be presented at UNC-CH; the practicum will be held at CASTLE in Durham beginning June 14th.**

### Continuing Education

This program is offered for **1.9 CEUs** for the Module Portion (Intermediate Level, Professional Area) and **4.4 CEUs** for the Practicum Portion (Intermediate Level, Professional Area).

Approval from the A.G. Bell Academy for LSLs continuing education credits is being sought as well.
