19th Annual Carolina Summer Institute
July 10 – July 15, 2016
An educational opportunity presented by The Children’s Cochlear Implant Center at UNC

Description:

Join us for the 19th annual Carolina Summer Institute. Our institute consists of online coursework and hands-on practice of Listening and Spoken Language therapy with Certified LSL coaches.

This year’s Institute will provide instruction and training to audiologists, speech-language pathologists, and teachers of the deaf who wish to develop their skills in Auditory-Verbal Therapy, a listening and spoken language approach for children with hearing loss.

Topics to be covered include, but are not limited to:

- Planning and Implementing the Auditory-Verbal Session
- The Development of an Auditory Feedback Loop: Strategies for Speech Babble and Critical Elements
- Beyond Input: Strategies for the Elicitation of Specific Vocabulary and Language Targets
- Conduct a tele-practice session using LSL techniques and strategies

Training will occur through online reading & assignments, taped lectures, group discussions, videotape analysis, self-study and hands-on practicum experiences with children who are enrolled in Listening and Spoken Language Therapy and their families. **On-line learning will take between two to three hours each week to complete. Completion is necessary prior to on-site coaching experience.**

Now in its nineteenth year, the Carolina Summer Institute has provided training in the principles and practice of Listening and Spoken Language Therapy to over two hundred professionals from around the world. For more information, please contact Lillian Henderson, MSP, CCC-SLP, LSLS Cert. AVT at 919-419-1428, Lillian.henderson@unchealth.unc.edu.

Important Dates

Registration Opens: January 29, 2016
Application Deadline: February 29, 2016
Application Notifications: March 18, 2016
On-line Pre-learning to begin May 2, 2016
On-site training in NC: July 10 - July 15, 2016

Food, Lodging, & Parking

Carolina Summer Institute will be held at The Children’s Cochlear Implant Center at UNC in Durham, NC about 10 minutes from UNC Chapel Hill campus.

Institute participants are responsible for their own food, parking, and lodging. A number of rooms will be blocked at various hotels including on campus housing. Course participants will have access to a refrigerator to store lunches and a microwave at The Children’s Cochlear Implant Center at UNC. In addition our center is close to several local restaurants. (DETAILS regarding lodging will be included with acceptance emails.)
This program is offered 4.8 CEUs from ASHA and 14 LSLS CE credits for the on-line learning from AG Bell.
