   d. Select your Dept ID
   e. Deselect the Program button so that it is highlighted gray vs. blue if you do not budget by program code
   f. Click Search

2. F&A funds are not budgeted by account, so the results will not display in account groupings. The Grand Total is displayed at the top of the page. Clicking a link takes you to the Transactions tab showing transactions for that account.

See campuses’ Financial Reporting and Reconciliation document for further instruction on using Infoporte Ledger Rollup.
