Quality Improvement Speaker Series

IMPROVING COLORECTAL CANCER SCREENING

Jennifer Elston Lafata, PhD
Professor, Dept. of Social and Behavioral Health, School of Medicine, Virginia Commonwealth University

Dr. Lafata, an expert in improving cancer control and routine chronic care management, will discuss how engaging patients in screening has changed over time and promising approaches for improving colorectal cancer screening.

September 22, 2014 11:30am – 1pm
NC Cancer Hospital Conference Room 1

IHQI catalyzes healthcare improvement, spread and culture change by engaging providers in improvement projects, training and research. Learn more: med.unc.edu/ihqi
