As an approved Portfolio Program Sponsor, the University of North Carolina at Chapel Hill is approved by the ABMS Portfolio Program to endorse QI Efforts for MOC Part IV.

Clean In, Clean Out – Hand Hygiene Compliance Program meets Maintenance of Certification (MOC) Part IV Standards and Guidelines for the American Board of Medical Specialties (ABMS) Multi-Specialty Portfolio Approval Program Organization (Portfolio Program) and is eligible for MOC Part IV through participating ABMS Member Boards.

Your certifying board provides detailed information for MOC Part IV requirements. This document explains how to use your participation in Clean In, Clean Out to earn MOC Part IV credit through the ABMS Multi-specialty Portfolio Approval Program. This program is relevant to any patient care setting (inpatient, outpatient, and procedural areas).

PARTICIPATION REQUIREMENTS

1. Please enroll by completing this brief form. Please enroll by July 1 of the calendar year you wish to earn MOC credit

2. Complete at least 3 of the following (a-d):
   a) Participate in a pilot or spread team meeting for a specific unit or area
      ▪ Contact Emily Sickbert-Bennett for more information.
   b) Complete more than 6 sets (60 observations across at least 4 calendar months) of hand hygiene audits (physicians do not receive credit for performing hand hygiene but rather for collecting data)
      ▪ Directions and submission of observations for:
        ▪ One location
        ▪ Multiple locations
        ▪ Operating rooms
   c) Complete and carryout an action plan for increased Hand Hygiene Compliance.
      ▪ Sample action plans and survey to submit action plan
   d) Pilot a new tool or hand hygiene compliance program intervention

3. Complete a survey related to the project

4. Complete and print an Attestation Form from the NC MOC website. Submit your completed Attestation Form to Emily Sickbert-Bennett no later than November 7 if you want the credit posted to your Board’s Physician Portfolio for this calendar year.

TIMING
Complete requirements within your current MOC cycle. MOC cycles vary from one person to the next. Find your MOC cycle dates by checking with your certifying Board.

For more information, please contact Clean In, Clean Out project manager, Emily Sickbert-Bennett.
