Article 12 Degree Requirements

12.01 Degree of Doctor of Medicine
(1) Graduation from the School of Medicine with the degree of Doctor of Medicine requires the completion of the prescribed curriculum in a manner satisfactory to the Student Promotions Committee.

12.02 Degree of Doctor of Medicine with Distinction
(1) To be eligible for Doctor of Medicine with Distinction, a student must earn honors for the year for all years where this grade is awarded. (See Article 6)

Notes and Procedures:
12.02(1): The Degree of Doctor of Medicine with Distinction may be withheld if the student has been sanctioned for unprofessional conduct by the Student Promotions Committee or adjudged responsible for a violation by the Honor Court System.
