

Research Day 2009: Biopsychosocial Research at UNC

September 25-26, 2009

Auditorium, Bioinformatics Bldg. (130 Mason Farm Rd.), UNC at Chapel Hill

This is a non-CME event for faculty, investigators and students at UNC and other universities in North Carolina. The event is supported through educational grants from Ironwood Pharmaceuticals, Salix Pharmaceuticals and Procter & Gamble. We also appreciate on-going support from Sucampo Pharmaceuticals and the S&R Foundation for the Center's clinical, educational and training activities.

FRIDAY, September 25

Registration	12:30 PM
---------------------	-----------------

Welcome	Co-Directors of the UNC Center for Functional GI & Motility Disorders Douglas Drossman, MD and Bill Whitehead, PhD	1:00 PM
----------------	---	----------------

Hypnosis & CBT	Auditorium, Bioinformatics Building
<i>Moderator: William E. Whitehead</i>	

Peter Whorwell, MD PhD - State of the Art: Hypnotherapy for Functional Gastrointestinal Disorders <i>Professor of Medicine & Gastroenterology, Wythenshawe Hospital, Manchester UK</i>	1:15 PM
--	----------------

Olafur Palsson, PsyD - Nationwide Effectiveness Trial of Hypnosis for IBS <i>Associate Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i>	1:45 PM
--	----------------

Emilee Colella, BA - Guided Imagery Treatment of Pediatric IBD <i>Second Year Medical Student, University of North Carolina at Chapel Hill</i>	1:55 PM
--	----------------

Olafur Palsson, PsyD - Hypnosis for Functional Heartburn (Seed grant) <i>Presented on behalf of Ryan Madanick, M.D.</i> <i>Associate Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i>	2:15 PM
---	----------------

Rona Levy, PhD - An Investigation of Social Learning and CBT in the Treatment of Functional Abdominal Pain in Children <i>Professor, School of Social Work, University of Washington, Seattle</i>	2:25 PM
---	----------------

BREAK	2:45 PM
--------------	----------------

FRIDAY, September 25 (cont.)

Basic & Translational	Auditorium, Bioinformatics Building
<i>Moderator: Douglas A Drossman, MD</i>	
<p>William Whitehead, PhD - State of the Art: Overview of Basic and Translational Research at the UNC Center for Functional GI & Motility Disorders</p> <p><i>Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i></p>	3:00 PM
<p>Reuben Wong, MD - Genetics of PI-IBS (Seed grant)</p> <p><i>Associate Consultant, Gastroenterology and Hepatology, National University Hospital, Singapore</i></p>	3:30 PM
<p>Miranda van Tilburg, PhD - Maternally inherited mtDNA sequence variants and Irritable Bowel Syndrome</p> <p><i>Assistant Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i></p>	3:40 PM
<p>Kimberly Brownley, PhD - Ghrelin in FD</p> <p><i>Assistant Professor of Psychiatry, University of North Carolina at Chapel Hill</i></p>	4:00 PM

adjourn for the day **4:20 PM**

Reception with Dinner	7:00 PM
<p>Siena Hotel 1505 East Franklin Street Chapel Hill, NC 27514 Room: Ballroom</p>	

SATURDAY, September 26

Breakfast	7:30 AM
Bioinformatics Building 130 Mason Farm Road Chapel Hill, NC 27599	

Abdominal and Pelvic Floor Disorders		Auditorium, Bioinformatics Building
<i>Moderator: William E Whitehead, PhD</i>		
Peter Whorwell, MD, PhD - State of the Art: Bloating		8:00 AM
<i>Professor of Medicine & Gastroenterology, Wythenshawe Hospital, Manchester UK</i>		
Motoyori Kanazawa, MD, PhD - Visceral Hypersensitivity and its Modulation in Irritable Bowel Syndrome		8:30 AM
<i>Assistant Professor, Tohoku University Graduate School of Medicine, Department of Behavioral Medicine, Sendai, Miyagi, Japan</i>		
Yehuda Ringel, MD - Probiotic and Antibiotic Treatment of Irritable Bowel Syndrome		8:50 AM
<i>Associate Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i>		
William Whitehead, PhD - NHANES Study of Stool Consistency & Frequency		9:10 AM
<i>Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i>		
Reuben Wong, MD - Rectal Exam Study		9:30AM
<i>Associate Consultant, Gastroenterology and Hepatology, National University Hospital, Singapore</i>		
Steve Heymen, PhD - DNIC in Irritable Bowel Syndrome (Seed grant)		9:50 AM
<i>Assistant Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill</i>		
Denniz Zolnoun, MD, MPH - Overlap between Irritable Bowel Syndrome and Vulvodynia (Seed Grant)		10:00 AM
<i>Assistant Professor of Obstetrics & Gynecology, University of North Carolina at Chapel Hill</i>		

BREAK	10:10 AM
--------------	-----------------

SATURDAY, September 26 (cont.)

Severity & Outcome Assessment		Auditorium, Bioinformatics Building
<i>Moderator: Peter Whorwell, MD, PhD</i>		
Douglas Drossman, MD - State of the Art: Beyond Tricyclics		10:30 AM
Professor of Medicine & Psychiatry, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill		
Douglas Drossman, MD - Understanding Severity in Irritable Bowel Syndrome		11:00 AM
Professor of Medicine & Psychiatry, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill		
Spencer Dorn, MD, MPH - Development of a Satisfaction Scale		11:20 AM
Assistant Professor, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill		
Spencer Dorn, MD, MPH - Outcomes Project in Functional GI Clinic		11:30 PM
Assistant Professor, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill		
Reuben Wong, MD - Partner Burden		11:40 PM
Associate Consultant, Gastroenterology and Hepatology, National University Hospital, Singapore		
Yossi Zimmerman - Narcotic Bowel Syndrome		12:00 PM
Associate Professor of Internal Medicine and Gastroenterology, Hadassah-Hebrew University Medical Center, Jerusalem, Israel		
Spencer Dorn, MD, MPH - Celiac Disease - Final Report		12:20 PM
Assistant Professor, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill		
Jane Leserman, PhD - What Predicts a Responder - Results From the NIH Treatment Trial		12:40 PM
Professor of Psychiatry and Medicine, Department of Psychiatry, University of North Carolina at Chapel Hill		

LUNCH	1:00 PM
--------------	----------------

SATURDAY, September 26 (cont.)

Keynote Lecture		2:00 PM
	Nicholas J. Talley MD, PhD, FACP, FRACP, FRCP: Functional Dyspepsia - Then and Now Chair, Department of Internal Medicine, Mayo Clinic Jacksonville Professor of Medicine and Epidemiology, Mayo Clinic College of Medicine	

Cross-Cultural and Epidemiological Studies		Auditorium, Bioinformatics Building
<i>Moderator: Reuben Wong, MD</i>		
	Ami Sperber, MD : State of Art: The Methodology of Translating Research Instruments Into Other Languages for Cross-Cultural Research	2:30 PM
	Professor of Medicine, Tel-Aviv Medical Center, Ben-Gurion University of the Negev	
	Douglas Morgan MD, MPH - Epidemiology of the Functional GI Disorders and Irritable Bowel Syndrome in Nicaragua	3:00 PM
	Assistant Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill	
	Ami Sperber, MD - Sleep and Irritable Bowel Syndrome (in progress)	3:20 PM
	Professor of Medicine, Tel-Aviv Medical Center, Ben-Gurion University of the Negev	
	Olafur Palsson, PsyD - Natural History of Irritable Bowel Syndrome Symptom Episodes	3:40 PM
	Associate Professor of Medicine, Division of Gastroenterology & Hepatology, University of North Carolina at Chapel Hill	

Wrap-Up	Co-Directors of the UNC Center for Functional GI & Motility Disorders Douglas Drossman, MD and Bill Whitehead, PhD	4:00 PM
----------------	---	----------------

adjourn **4:30 PM**
