Dental Faculty Practice (DFP)

These patients are treated exclusively by dentists who are faculty members of the UNC-CH School of Dentistry. Most patients in the DFP are patients that would normally be found in private practice.

- For appointments to DFP please call 966-2115
- Payment is required for all services
- Patient is responsible for filing dental insurance
- Payment plan can be set up
- Medicare/Medicaid patients **must** bring eligibility card
- Some dentists do not accept Medicare/Medicaid
- 24 hour notice needed for cancellation (a fee may be charged if notice not given)
- Emergency: Call 966-2115 during regular office hours (Monday-Friday 8am – 5pm)
- After Hours call 966-4131 ask for Dental Resident and **state that you are DFP patient**

Dental School Student Clinic

Pre-doctoral and graduate students will see patient. All students provide patient care in a training environment under the guidance of faculty.

- How to become a new patient
  - There is an admissions drawing
  - Patients must complete an application
  - If selected in drawing, complete screening visit
  - For details
- For details and application, go to [http://www.dent.unc.edu/patient/clinics/student/new_patients/howto.htm](http://www.dent.unc.edu/patient/clinics/student/new_patients/howto.htm)

Hospital Dental Clinic

Patients going to the Dental Clinic **must** have specific serious medical problems that prevent them from seeing private practice dentists or being seen in the Dental School. This criteria includes hemophilia, hepatitis C, HIV -- but the list is quite extensive.

- **Must** have a letter of referral from referring doctor stating medical condition. This will be reviewed by the director, and if the conditions meet the criteria, and appointment will be scheduled.
- Medicaid is accepted
- Medicare patients are limited to those who have dental needs associated with medical conditions
- Call 966-1485 for additional information
