E. Would you recommend this elective to other medical students? _x___YES  ____NO

   If YES, Why? __yes  because it is in a pretty controlled environment. The mission compound is located on
   the hospital compound and is guarded and gated. The missionaries do a good job of making sure your needs are
   provided for and that you have opportunity to interact with other short term missionaries. The resident set up is
   similar to that in the states in that they have morning report and rounds with attendings or senior residents. The
   residents have both clinic and inpatient duties. Also there are opportunities to rotate through OB/Gyn, surgery,
   IM, and peds. _____________________________________________________________________

   If NO, Why? ________________________________________________________________________

F. Was the program responsive to your needs? __x__YES  ____NO
