I would highly recommend going on HHA! I went as an MS2 and loved the opportunity to work in a mentored clinical setting early on during medical school. It reinforced my desire to work with women, speak Spanish, and care for the underserved. As an MS4, it was so fulfilling to return to the same host families as before and have the opportunity to practice teaching. We had such a caring, encouraging group of attendings and a supportive group dynamic. I'm very grateful that the OIA supports HHA!

K. What could the OIA have done differently or better to support you in your international elective? :

   The OIA was very clear and supportive throughout the whole process.

THANK YOU!!! THIS INFORMATION WILL HELP FUTURE STUDENTS !!!
