III. GLOBAL HEALTH EXPERIENCE CHARACTERISTICS
A. List three educational outcomes you achieved with this elective

1. Established a research mentorship with Dr. Yuri Fedoriw and was also able to mentor an undergraduate student.

2. Developed a better understanding of the cultural perception of disease and healthcare in Malawi, observing potential cultural barriers to communication and trust and how to overcome them.

3. Experienced the flexibility in healthcare diagnostics (particularly diagnostic pathology) and clinical care required in a resource-limited setting.

B. Was the experience a good use of time for you during medical school?  ____ YES  ____ NO
C. Did you have adequate clinical supervision?  ____ YES  ____ NO
D. Did you have adequate opportunities for hands-on clinical work?  ____ YES  ____ NO
E. Would you recommend this elective to other medical students?  ____ YES  ____ NO

If YES, Why? It trained me to be flexible in my expectations and to learn to accommodate to the needs of a completely different society.

If NO, Why? ____________________________

F. Was the program responsive to your needs?  ____ YES  ____ NO

G. Did you have appropriate arrangements for housing, food and safety/health issues?  ____ YES  ____ NO
Please describe: The UNC Guest House was spacious and sufficient.

H. Did you have adequate information about what to expect in advance?  ____ YES  ____ NO
What would have been helpful: Knowing that it is impossible to withdraw USD in Malawi and that US bills dating before 2009 are not accepted for exchange.

I. Did you feel that you had adequate support from UNC in setting up this opportunity?  ____ YES  ____ NO

J. Please include any additional information or feedback you would like to include for students engaging in future international rotations:

1. Have a very clear idea of the research project you will be working on, while still being flexible for international research to take its course.
2. Don’t be afraid to approach UNC Hospital faculty who engage in global health trips.
3. Come in with an open mind to adapt to international clinical practice, being careful to not project personal opinions on workflow.

K. What could the OIA have done differently or better to support you in your international elective? :

Nothing! We were counseled early enough to look for the absolute best summer opportunity, for which I am very grateful!

THANK YOU!!! THIS INFORMATION WILL HELP FUTURE STUDENTS !!!
