   This trip was far better than I could have imagined. The staff were very supportive, and the facilities were well equipped to not only ensure that we were safe, but also that we were well fed, clean, and having a great time. For summer trips, don't worry about getting bitten by mosquitoes. You should spend less than $400 for all the equipment needed for the trip.
K. What could the OIA have done differently or better to support you in your international elective?
   The OIA could have been more clear on how much scholarship funding we could receive for completing this trip. Having the OIA walk us through various ways of achieving adequate funding would have been very helpful.

THANK YOU!!! THIS INFORMATION WILL HELP FUTURE STUDENTS !!!!
