   While there are no established health internships/programs, Jaago Foundation is very open to innovative project ideas as long as it benefits their students. With that being said, students should be aware of the time investment and management required to design and implement a new project.

   K. What could the OIA have done differently or better to support you in your international elective?:

   I received prompt and adequate support/advice from Dr. Carlough and Shay. I found the OIA website to be very organized.

THANK YOU!!! THIS INFORMATION WILL HELP FUTURE STUDENTS !!!
