UNC School of Medicine
Global Health Elective
Student Feedback Form

Information that you provide will be made available for future UNC students to use in planning educational electives in global health and international medicine. It must be completed in order to receive elective credit for your rotation OR funding through the Office of International Activities (Becton-Tannenbaum, Perkins Burke, Medical Alumni Loyalty Fund Global Enrichment Fellowships and International Health Fellowships). Please complete and return to the Office of International Activities (shawes@med.unc.edu or Martha_carlough@med.unc.edu)

I. STUDENT INFORMATION
A. Student Name: ____________________________
B. Email: _____________________________
C. Phone/cell number (optional): ___________________
D. Graduating year from UNC Medical School: _________
E. Check when you took this elective:
   ☑Summer between 1st and 2nd year    ☐3rd year    ☐4th year    ☐Other: ___________________
F. What UNC Department and course did you register for this elective through? __________________
G. Faculty advisor: ____________________________
H. Dates that you completed the elective: ____________________           Year: _______
   I. From the list below, select the one choice that best describes your motivation for taking this elective:
      ☑ interest in global health      ☐desire to get experience for CV/job opportunities
      ☐ interest in travel      ☐family of origin reasons
      ☐ interest in helping others      ☐other: ________________________________
      ☐ desire to learn/improve Spanish skills

J. What was the major emphasis of this elective:
      ☑ medical Spanish and Latino health
      ☑ global health research
      ☐ clinical care in an international setting
      ☐ community health/development
      ☐ Other: ________________________________

K. Was this a group experience or individual experience?

II. ELECTIVE PROGRAM INFORMATION
A. Country where you completed the elective: __________________
B. City: Guangzhou
C. Name of Program or Hospital where you worked: Guangdong Provincial STI Center
D. Website address (if available): 
E. From the list below, select the choice that best describes how you first learned about this program:
      ☐ referral from a friend/personal contact
      ☐ another student who went there
      ☑ web site information from: Office of International Activities (UNC)
      ☐ other: ________________________________
F. Name of program person you worked with and contact information: UNC Project China, Dr. Joe Tucker. jdtucker@med.unc.edu
G. Costs
   Tuition: 0 Roundtrip travel: 2000
   Other expenses you incurred, including vaccinations, supplies (please list type and amount):
   Housing -$400

H. Did this program/hospital have a religious affiliation? ☐YES    ☑NO
If yes, with what group: __________________________

I. Did this program/hospital have an academic affiliation?  x  YES  ___  NO
If yes, with what institution:  UNC-Chapel Hill  

III. GLOBAL HEALTH EXPERIENCE CHARACTERISTICS
A. List three educational outcomes you achieved with this elective
   1. __________________________________________________________________________________
   2. __________________________________________________________________________________
   3. __________________________________________________________________________________

B. Was the experience a good use of time for you during medical school?  x  YES  ___  NO
C. Did you have adequate clinical supervision?  x  YES  ___  NO

   If NO, please describe:  ____________________________________________

H. Did you have adequate information about what to expect in advance?  x  YES  ___  NO
   If NO, what would have been helpful:  ____________________________________________

I. Did you feel that you had adequate support from UNC in setting up this opportunity?  x  YES  ___  NO

THANK YOU!!! THIS INFORMATION WILL HELP FUTURE STUDENTS !!!

Additional Comments:

This is a great opportunity to get a mix of different experiences. Because there is no structured plan/program, it can include both research and clinical aspects. However, that also means you will have to work independently more than some other programs. It is essential to at least be proficient in Chinese (mandarin/cantonese).
