

# MLC WALL PANEL (MARSICO)

## GETTING STARTED

Exact button position may vary by room.

If the projector is off, press **On** to start the system.

In these rooms select a **SOURCE DEVICE**.  
The selected device will light up.

The **VOLUME CONTROL** knob is under the power control. In rooms where audio is through the projector, it is not particularly loud. Be sure to increase the volume on the computer as well as in the program you are using.

## SHUTTING DOWN

PLEASE shut down the system by pressing the Off button on the Wall Panel.

## FREQUENTLY ASKED QUESTIONS
