

Dermatology Memo to Visiting Students

The University of North Carolina at Chapel Hill Department of Dermatology

General Information about the UNC Department of Dermatology 4th Year Medical Student Rotation

The Fourth Year Medical Student rotation at The University of North Carolina at Chapel Hill is four weeks in duration. The rotation is one week of inpatient consultations and three weeks outpatient clinics.

Orientation is scheduled the first day of each rotation at Southern Village, 410 Market Street, Suite 400.

In addition to clinical requirements, students are required to attend conferences. Grades are based on faculty and resident evaluations, end of rotation test, and performance during consult week.

Requirements

****To be completed BEFORE applying to the UNC School of Medicine****

Students must mail the following four items to the Department of Dermatology (address in the last paragraph below):

1. Medical School Transcript for all coursework during years 1 and 2 (or Basic Sciences) and year 3
2. USMLE or equivalent Part One Board Scores
3. Letter stating which rotation dates are requested in preferred order. (*See rotation dates below.*) Include in this letter a statement stating whether or not you are interested in being considered for UNC's Dermatology Residency Program.
4. Current Curriculum Vitae

Once these items are received, they are reviewed by Drs. Dean Morrell and Chris Sayed, Directors of Education, in early May. The applicant is informed of acceptance as soon as a decision is made. **If the applicant is approved for a rotation, and after confirmation of this rotation from the Department, he or she must apply online through VSAS at www.aamc.org/vsas. The Department of Dermatology will inform Student Affairs (Kia Bradsher) which applicant has been approved.** (This includes In-State applicants.) Out-of-State applicants are required to pay a \$50 application fee to the School of Medicine.

Due to the popularity of this program, we are only able to accommodate one visiting student per rotation. We will accept more than one visiting student *if* space is available after UNC's drop/add dates.

Rotation Dates for Academic Year 2013-2014

July 1-July 26

July 29-August 23

August 26-September 20

September 23-October 18

To apply to UNC's Dermatology 4th Year Medical Student Rotation program, please mail the above four required items to: Cherie Ezuka, Residency Coordinator, UNC Department of Dermatology, Campus Box 7715, 410 Market Street, Suite 400, Chapel Hill, NC 27516. She can be reached at (919) 843-5539 or at cherie_ezuka@med.unc.edu. Visit our website for information on UNC's Dermatology Residency Program at www.med.unc.edu/derm.
