CURRENT CHALLENGES IN REHABILITATION MEDICINE

FRIDAY & SATURDAY
JUNE 16 & 17, 2017

The William & Ida Friday Center for Continuing Education
100 Friday Center Drive, Chapel Hill, NC
The 2017 Current Challenges in Rehabilitation Medicine conference will focus on best practices for controlled substance prescribing on day one and innovative treatment strategies for spinal cord injury (SCI) patients on day two. By bringing together leaders in the field of rehabilitation medicine, we hope to continue to close the provider knowledge gap, and improve the quality of life for our patients. Topics of discussion will include opioids, patient advocacy, integrated care, neurogenic bladder, mobility and sexual health issues relating to the care of traumatic brain and SCI patients.

**Target Audience**

Physicians, physician assistants, nurse practitioners and nurses; residents, fellows and medical students; occupational and physical therapists and therapy students working with rehabilitative medicine patients across the continuum of care

**Learning Objectives**

At the conclusion of this knowledge and competency-based activity, the participant should be able to:

- Describe appropriate assessment techniques for identifying opioid abuse/misuse and addiction.
- Discuss best practices for managing pain.
- Review regulations governing opioid prescribing.
- Recognize recent issues and challenges pertaining to patient coverage for procedures and patient care.
- Review proper documentation to facilitate efficient pre-authorization for procedures patients require.
- Describe supplemental medical decision-making information to patients suffering from TBI.
- Discuss effective strategies for providing improved care coordinated for patients who have sustained TBI.
- Share strategies for effective patient communication related to symptoms and complications of neurogenic bladder.
- Explain how various factors influence the treatment path for neurogenic bladder.
- Review new advancements in care for spinal cord injury patients suffering from neurogenic bladder.
- Describe the components of a brain-computer interface that allow brain activity to be translated into movement commands.
- Recognize the patients’ perspective in facing challenges following a spinal cord injury.
- Discuss sexual health issues in a patient with SCI.
- Review advances in care for patients with SCI using telemedicine.

FRIDAY, JUNE 16
Opioid Prescription Regulations, Advocacy and Integrated Care

8:00 am  Registration/Breakfast/Exhibits
8:45  Opening Remarks  Mayisha Dunham, MD, MBA
9:00  Recognizing the Signs and Symptoms of Substance Use  Eric D. Morse, MD, DFAPA
10:00  Break/Exhibits
10:15  TBI and Integrated Care  Scott Pokorny, MSW, CBIS
11:30  Current Socioeconomic and Advocacy Issues with Outpatient Musculoskeletal Care  David O’Brien, MD
12:30 pm  Lunch/Exhibits
1:30  Opioid Prescribing Update  Bryant Murphy, MD
2:00  Controlled Substance Prescribing for Chronic Pain  Raymund Millan, MD
3:15  Rules and Regulations on Controlled Substance Prescribing Practice  Chue Lee, PharmD, BCPS
4:15  Break/Exhibits
4:45  North Carolina Medical Society Updates*  Stephen W. Keene, MBA, JD
5:00  Dinner/Business Meeting/Elections*  Anand Joshi, MD, MHA
6:15  Closing remarks

SATURDAY, JUNE 17
Neurogenic Bladder, Sexuality and Functional Mobility after SCI

8:00 am  Registration/Breakfast/Exhibits
8:30  Opening Remarks  Paul Thananopavarn, MD
8:35  Managing the Neurogenic Bladder in SCI Patients  Kristy Borawski, MD
9:30  Interprofessional Collaboration for Effective Neurogenic Bladder Management  Kevin Stahr, OTR/L, AT Raheleh Tschoepe, MS, OT/L
10:30  Break/Exhibits
10:45  Intracortical Neuroprosthetics to Restore Upper Limb Function  Jennifer L. Collinger, PhD
11:45  Lunch/Exhibits
1:00 pm  Seating and Positioning Your SCI Client  Deanna Baldassari, MS, OTR/L
2:00  Sexuality after SCI  Marcalee Sipski Alexander, MD
3:00  Break/Exhibits
3:20  TeleSCI  Marcalee Sipski Alexander, MD
4:00  Patients’ Perspectives on Living with SCI  Moderators - Paul Thananopavarn, MD Karla Thompson, PhD
4:40  Closing Remarks  Paul Thananopavarn, MD

CURRENT CHALLENGES IN REHABILITATION MEDICINE
FRIDAY & SATURDAY JUNE 16 & 17, 2017
The William & Ida Friday Center for Continuing Education
100 Friday Center Drive
CHAPEL HILL, NC
Registration

Friday, June 16
- Member Physician-$150, after May 15-$200
- Non-Member Physician-$200, after May 15-$250
- Other healthcare professional-$75, after May 15-$100
- Fellow, resident, medical or therapy student-$50

Saturday, June 17
- Physicians-$125, after May 15-$150
- Other healthcare professional-$75, after May 15-$100
- Fellow, resident, medical or therapy student-$25

- Vouchers will be accepted.
- Register online at www.wakeahec.org
- Registration will include online handouts and certificate of completion.
- Breakfast, lunch and snacks will be provided both days. Dinner provided Friday.
- Directions/parking information will be emailed with your confirmation letter.
- No refunds will be issued unless we are notified by 5pm Tuesday, June 13, 2017. For those registered to attend only one day, a cancellation fee of $40 for physicians and $30 for other professionals will be deducted from your registration fee if a refund is issued. For those registered to attend both days, a cancellation fee of $95 for physicians and $60 for other professionals will be deducted from your registration fee if a refund is issued. Substitutes are encouraged.

Course Credit

The Wake Area Health Education Center designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Wake AHEC is accredited by the North Carolina Medical Society to provide continuing medical education for physicians.

Wake AHEC will provide up to 1.1 CEU to participants who attend both days. If only attending one day, .6 CEU will be awarded. A participant must attend 100% each day to receive credit. Partial credit will not be awarded.

Wake AHEC will provide up to 11.75 Contact Hours to participants.

Wake AHEC is part of the North Carolina AHEC Program.

Visit www.wakeahec.org for our ADA Statement and Inclement Weather Policy.
