

## CENTER FOR REHABILITATION CARE

### ▶ PHYSICAL MEDICINE & REHABILITATION (“PM&R”)

The Physical Medicine and Rehabilitation clinic offers expert consultation and specialty care for both adults and children. Our providers treat a wide variety of medical conditions affecting the brain, spinal cord, nerves, bones, joints, ligaments, muscles, and tendons. We evaluate and treat injuries, illnesses, and disabilities, and design comprehensive, patient-centered treatment plans. We provide compassionate care that focuses on maximizing function, mobility, and independence.
