

Faculty Position

Thomas H. Maren Foundation Distinguished Professorship

Cell and Molecular Physiology and UNC Kidney Center

The University of North Carolina at Chapel Hill

The Department of Cell and Molecular Physiology and the UNC Kidney Center in the School of Medicine invite applications for the Thomas H. Maren Foundation Distinguished Professorship, a new tenured position at the level of Full Professor. We seek candidates who are advancing the field of renal physiology / pathophysiology with a focus on translational medicine and have an internationally recognized research program and strong external funding. There is an attractive startup package and laboratory space. A role in teaching of graduate and medical students and postdoctoral trainees is expected. Applicants must hold an MD and/or PhD degree.

Please submit the names of four potential references, curriculum vitae, and research plans by email (mary_wright@med.unc.edu) to:

James M. Anderson, MD, PhD
c/o Mary Wright, Executive Assistant to Chair
Department of Cell and Molecular Physiology
CB #7545, 6312 MBRB, School of Medicine
The University of North Carolina at Chapel Hill
Chapel Hill, NC 27599-7545

UNC-CH is an equal opportunity employer.
