

UNC School of Medicine

Policy: **No Funding and Gifts from Tobacco-Related Companies**

Effective Date: **June 22, 2010**

Approved: **William L. Roper, MD, MPH, Dean**

- 1) The Faculty, Departments and Centers of the UNC School of Medicine will no longer accept funding or gifts from the tobacco industry or other tobacco-related entities. This policy reflects the School's strongest commitment to support a tobacco free campus and its ongoing mission to improve the health and well-being of the general public at large.
- 2) The UNC School of Medicine faculty members and staff shall not engage in any speaking or consulting arrangements underwritten by a tobacco company or related entity.
- 3) The UNC School of Medicine Sponsored Programs Office shall maintain a list of tobacco companies and related entities.
