

UNC Geriatrics Telementoring: Diabetes Management for Older Adults

**Got a tough diabetes management case
with an older adult? UNC Geriatrics can help.**

Bring your difficult cases for consultation and receive best practice recommendations for management of diabetes within the context of older adults' multiple chronic conditions. Learn from colleagues and experts with UNC's Geriatrics videoconference series, modelled on the ECHO format and led by UNC Division of Geriatric Medicine's Dr. Marvin McBride.

Tackle your toughest cases and get recommendations plus the latest research from Geriatricians and a specialist care team including UNC endocrinologists.

Dates: **October 7**
October 21
November 4
November 18

Time: **12 pm - 1 pm**

Link: **<http://go.unc.edu/f3K5B>**

The series is free with no pre-registration required. CME hours are available. Email Cris Henage at cristine_henage@med.unc.edu for information and updates.
