## Families Interactive Reading Experience

*You're invited!*

Did you know...

**Talking** with your child about a book is **even better** than just reading the words in the book!

If you want to learn how to **get your child talking** with you about books, join us for the Families' Interactive Reading Experience.

If you participate:

- We'll meet 4 times, at your home or your child's school, at a time convenient for you.
- We'll show you how to get your child talking about books.
- Your family will receive 2 children's books each time we meet.
