

First Professional Year		
Summer Session II	Prerequisites	Credit Hours
AHSC 440 Introduction to Human Anatomy		3
RADI 442 Introduction to Radiologic Science	Majors only	3
Fall Semester	Prerequisites	Credit Hours
RADI 461 Radiography I / RADI 466 Abdominal Sonography	AHSC 440, RADI 442	4
RADI 462 Radiographic Imaging I / RADI 467 Ultrasound Principles and Instrumentation	AHSC 440, RADI 442	4
RADI 463 Clinical Education I	AHSC 440, RADI 442	4
RADI 660 Pathophysiology	Majors only	3
Spring Semester	Prerequisites	Credit Hours
RADI 471 Radiography II / RADI 474 Obstetrics and Gynecology Sonography	RADI 461 / RADI 466	3
RADI 472 Radiographic Imaging II / RADI 478 Sonographic Imaging I	RADI 462 / RADI 467	4
RADI 473 Clinical Education II	RADI 463	4
RADI 670 Integrated Principles of Radiographic Analysis	RADI 660	4
Summer Sessions I & II (following First Professional Year)	Prerequisites	Credit Hours
RADI 574 & 575 Clinical Education III & IV	RADI 473 & RADI 574	8 total

Second Professional Year		
Fall Semester	Prerequisites	Credit Hours
RADI 583 Clinical Education V	RADI 574, RADI 575	4
RADI 585 Radiologic Health Physics / RADI TBD Sonographic Imaging II	RADI 472 or permission / RADI 478	3
RADI 586 Research in Radiologic Science I	Majors only	1
RADI 594 Professional Communications & Interactions	Majors only	3
RADI 694 Clinical Decisions in Radiology	Majors only	3
Spring Semester	Prerequisites	Credit Hours
RADI 584 Clinical Education VI	RADI 583	6
RADI 597 Leadership in Radiologic Science	Majors only	3
RADI 681 Trends in Medical Imaging Practices & Issues in the Radiology Practice Environment	Majors only	3
RADI 686 Research in Radiologic Science II	Majors only	2
