I’VE BEEN EXPOSED TO COVID-19

DO YOU HAVE SYMPTOMS?

NO

ARE YOU FULLY VACCINATED AND BOOSTED (if eligible for booster)?

NO

Quarantine: Monitor for symptoms*; test according to recommendations. Communicate with your program representative and your clinical facility, if applicable, about length of quarantine.

YES

You may attend class; Monitor for symptoms*; test according to recommendations.

YES

I HAVE SYMPTOMS OF COVID-19

ISOLATE and GET a TEST:
(Do NOT go to CTTP testing site). Call Campus Health if eval needed: 919-966-6573.

Communicate with your program representative and your clinical facility, if applicable.

If test is negative, may return to class/clinicals when symptoms resolve (see clearance protocol).

* SYMPTOMS DEVELOP

+ POSITIVE TEST

I’VE HAD A POSITIVE COVID-19 TEST

ISOLATE:
Follow Campus Health instructions.

(If you were tested off-campus, send results to campushealth_records@unc.edu.)

Communicate with your program representative and your clinical facility, if applicable, about return.

* SYMPTOMS DEVELOP

+ POSITIVE TEST
