2010-2014

UNC Department of Anesthesiology Annual Oral Board Review Course
Director/developer of oral board course for CA-3 Residents, fellows and some attendings in anesthesiology to help prepare them for oral boards. Runs yearly for 8-10 weeks in late Winter/early Spring

Course Co-Director:

10/2015 – Present

Pediatric Anesthesia Fellowship Objective Standard Clinical Examination (OSCE) series
Fall and Spring Curriculum, Utilizing High and Low-Fidelity Simulation for ACGME
Milestone Assessment, (Created with a multi-disciplinary/multi-interdisciplinary team with scenarios for evaluation to give objective data to the Clinical Competency Committee (CCC) in evaluation of challenging to assess milestones), Dept of Anesthesiology, UNC Chapel Hill

Southeast Pediatric Anesthesia Region (SPEAR) Fellows Bootcamp

Co-director and instructor for a multi-institutional bootcamp hosting a variety of pediatric anesthesia fellowship programs and fellows. Developed and implemented a

variety of scenarios appropriate for fellow level simulation of pediatric emergencies with high-fidelity simulation. Debriefing sessions incorporated throughout the day. Usual participants are pediatric anesthesia fellows from UNC, DUKE, and sometimes Vanderbilt, CHOP (Children's Hospital of Philadelphia), University of Alabama (repeating event). This event continues to expand its participants in the Southeast Region.

- 5/31/2024: SPEAR Transition to Practice Bootcamp; Co-Hosts Dr. Cole Dooley (UF Gainesville), Dr. David Roberts (Vanderbilt), Dr. Concetta Lupa (UNC): 3 programs, 6 fellows. Hosted at UF Gainesville, FL
 - 9/9/2023: SPEAR Bootcamp- Co-Hosts with UNC Faculty (Sisk, Suchar, Wester, Lupa, Blasius, Park), Dr. Jenna Sobey (Vanderbilt), Dr. Ben Roberts (UAB) and Dr. Lydia Jorge-Reynolds (U Miami). 5 programs, 7 fellows
 - 6/23/2023: Transition to practice Bootcamp Co-Hosts Dr. Concetta Lupa (UNC), Dr. Jenna Sobey (Vanderbilt), Dr. Tracy Wester (UNC), Dr. Cole Dooley (University of Florida), and Dr. Michael Kunts (Vanderbilt)- 3 programs, 7 fellows
 - 5/23/2022 Transition to practice Bootcamp Co-Hosts Dr. Concetta Lupa (UNC), Dr. Jenna Sobey (Vanderbilt), Dr. Ben Roberts (UAB), Dr. Cole Dooley (UF Gainesville) and Dr. John Adams (UMiss) - 5 programs, 9 fellows, hosted at Vanderbilt University, Nashville, TN

2013-2014: Timothy Erpelding, MD

Mentor to UNC Faculty:

- 2023- present: Tracy Wester, MD (Associate Professor of Anesthesiology and Pediatrics at UNC)
2022- present: Joseph Sisk, MD (Associate Professor of Anesthesiology and Pediatrics at UNC)

2022- present: Dominika James, MD (Associate Professor of Anesthesiology at UNC)
2019- 2023: Eva Waller, MD (Assistant Professor of Anesthesiology and Pediatrics at UNC, now in Priv. Practice)
2019- 2022: Martha Kenney, MD (Assistant Professor of Anesthesiology and Pediatrics at UNC, now @ Duke Anes)

- 7/2020 – 7/2021 Fellowship Research Project
Co-Investigator and Faculty mentor to Dr. Marley Lawrence for an IRB approved prospective study entitled: Evaluation of Virtual Reality Intervention after Pediatric Idiopathic Scoliosis Surgery to Reduce Postoperative Pain and Opioid Consumption. This study aims to investigate the impact of either an IPad device with age appropriate games vs a Virtual Reality Headset on postoperative pain and anxiety in children aged 11-17 undergoing idiopathic scoliosis repair after surgery in the postoperative period. (project in continuance after Dr. Lawrence's graduation)
- 6/1/2018- April 2020: Fellowship Research Project
Co-Investigator and Faculty mentor to Dr. Brian Specht for an IRB approved prospective study entitled: Evaluation of Electronic Distraction Devices after Surgery to Reduce Postoperative Pain and Opioid Consumption in Pediatric Patients. This study aims to investigate the impact of either an IPad device with age appropriate games vs a Virtual Reality Headset on postoperative pain and anxiety in children ages 7-18 after surgery. We plan to enroll a total of 150 patients in our study. As noted below, we were awarded a small amount of support from the UNC Research Department to assist with research personnel and equipment. (project was complete after Dr. Specht's graduation, remained his mentor when he joined staff- resulted in publication)

Mentorship Experiences Outside of UNC

- 2020 – present: Wendy Nguyen, MD (Assistant Professor of Anesthesiology at University of Minnesota School of Medicine) – through Women's Empowerment and Leadership Initiative (WELI) (A section of Society for Pediatric Anesthesia)

ATTENDING ON CLINICAL SERVICE

Department of Anesthesiology, University of North Carolina

- Sept 2008- present Attending Pediatric Anesthesiologist
November 2009- present Attending Pediatric Pain and Regional Anesthesiologist

RESEARCH PROJECTS AND GRANTS

- August 2018- present Analysis of Airway Mucus in Children 0-3 years of age.
NIH project# 5R01HL150541-04 Role: Co-Investigator
