

CAROLINA REFRESHER COURSE *Faculty*

Course Directors

DAVID HARDMAN, MD, MBA, FASA

Professor and Vice Chair
for Professional Affairs, University of
North Carolina at Chapel Hill, Carolina
Refresher Course Director

JAMES C. KRAKOWSKI, MD

Assistant Professor of Anesthesiology,
University of North Carolina at Chapel
Hill, Course Co-Director

Guest Faculty

KI JINN CHIN, MBBS, MMED, FANZCA, FRCPC

Associate Professor, Department of
Anesthesia, Faculty of Medicine,
University of Toronto

JERROLD H. LEVY, MD, FAHA, FCCM

Professor of Anesthesiology, Professor
of Cardiothoracic Surgery, Co-Director,
Cardiothoracic ICU, Duke University

EUGENE R. VISCUSI, MD

Professor of Anesthesiology, Chief of
Pain Medicine, Director, Acute Pain
Management, Sidney Kimmel Medical
School of Thomas Jefferson University,
ASRA President 2019-2021

University of North Carolina at Chapel Hill Faculty

Department of Medicine

ALICE D. MA, MD

Professor of Medicine, Fellowship
Director, Hematology/Oncology Program

Department of Anesthesiology

JACOB D. ACTON, MD

Assistant Professor of Anesthesiology
and Critical Care Medicine

HARENDRA ARORA, MBBS

Professor of Anesthesiology, Vice Chair
for Education and Program Director

J. GREGORY BALFANZ, MD

Assistant Professor of Anesthesiology

MEENA BHATIA, MD

Assistant Professor of Anesthesiology
and Critical Care Medicine

BENJAMIN G. COBB, MD

Assistant Professor of Anesthesiology
and Obstetrics and Gynecology
Assistant Professor of Anesthesiology

BENJAMIN J. HELLER, MD

Assistant Professor of Anesthesiology

PRIYA A. KUMAR, MD

Professor of Anesthesiology and
Director of Clinical Research of
Anesthesiology

MATT C. MAUCK, MD PHD

Assistant Professor of Anesthesiology

ANTHONY N. PASSANNANTE, MD

Professor and Executive Vice Chair of
Anesthesiology

SARA L. PITTINGER, MD

Associate Professor of Anesthesiology
and Pediatrics

RICARDO A. SERRANO, MD

Assistant Professor of Anesthesiology

DAVID A. ZVARA, MD

Professor and Chair of Anesthesiology

Meet faculty & colleagues

THURSDAY
6:30p - 8:30p

Wine pour reception
Come join us for beer, wine, and heavy hors d'oeuvres. Free to registrants, but guests can attend for \$20 per person.

Conference Location All sessions will be conducted at the East Beach Conference Center, Kiawah Island Resort. Kiawah Island is 21 miles south of Charleston and a 45-minute drive from Charleston International Airport (CHS). Additional resort information is available at kiawahisland.com. Kiawah Island Resort is on a lush barrier island with unspoiled beaches, great visibility due to lack of high rises, waterways perfect for kayaking and one of the top US golf courses. Be sure to sample the Southern charm, sights and world-class restaurants of Charleston, one of the best-preserved colonial cities in America.

Staying in Kiawah A block of 1- and 2-bedroom condos has been reserved for attendees of the Carolina Refresher Course at the Kiawah Island Resort. To make a reservation, please call Kiawah Island Resort at (800) 654-2924 and identify yourself with the UNC School of Medicine, booking code 15158. Individuals are responsible for making their own reservations. A non-refundable deposit equal to one night's stay per reserved accommodation is required. The deposit guarantees accommodations for the scheduled arrival day and will be applied to the last night's reservation. Early departure, or failure to arrive on the scheduled arrival day, will result in forfeiture of the deposit. It is recommended that reservations be made at the earliest opportunity. There are a limited number of rooms at the preferred rate, and they book quickly! In addition, a limited block of rooms is available at the beachfront Sanctuary luxury hotel upon request. Please contact Kiawah Resort for prices and availability.

Kiawah Island Condominium Room Rates One Bedroom \$245, Two Bedroom \$315; Discount room rates Sat. Jun. 19 - Sun. June 22.

Conference Pricing

Point-of-Care-Ultrasound Workshops

Three-day workshop will cover cardiac, lung and abdominal scanning and is limited to a total of 16 participants, 4 attendees per instructor. Complimentary, but first come, first serve. You can only register for one workshop each day.

Simulator based TEE and TTE Workshops

The simulator-based TEE and TTE workshop sessions are limited to 8 participants each and will cover different scanning windows for both transesophageal and transthoracic echocardiography. Complimentary, but first come, first serve. You can only register for one workshop each day.

Truncal & Spine Ultrasonography Workshops

The truncal nerve blocks and spine ultrasonography workshop sessions are limited to 8 participants each and will cover the different ultrasound scanning views for truncal nerve blocks and spine anatomy. Complimentary, but first come, first serve. You can only register for one workshop each day.

Problem-Based Learning Discussions

Problem-Based Learning Discussion sessions are complementary, but limited to 12 participants each, so please register early as they tend to fill quickly. Case discussions and references will be emailed to registered attendees two weeks prior to the course.

Educational Objectives The information presented at this educational activity should improve your ability to:

- Manage challenges in trauma
- Distinguish perioperative allergic and anaphylactic reactions
- Review basic point-of-care-ultrasound indications and recognize pathology
- Account for sex differences in the management of pain
- Review the management of pediatric congenital heart disease for non-cardiac surgery
- Discuss active labor epidural management and review safety
- Implement the newest techniques in carotid surgery management
- Describe controversies in acute pain management
- Manage congenital coagulation defects
- Utilize new treatments in the bleeding patient

Statement of Need Anesthesiology, Pain, and Critical Care Medicine are medical disciplines uniquely characterized by an exponentially expanding base of peer reviewed literature, evolving technology, and new techniques combined with ever increasing clinical realms of practice in which this novel information is relevant. The Carolina Refresher Course seeks to present a portion of this material in a format that emphasizes utility, practicality, and retention so that the content learned may be easily and effectively applied in the improvement of patient safety, comfort, and satisfaction.

Target Audiences The course is designed for physicians, including but not limited to anesthesiologists, critical care specialists, pain specialists, surgeons, and internists, as well as certified registered nurse anesthetists, anesthesiology resident and fellow physicians, certified anesthesiologist assistants, and allied services practitioners.

Course Credit Physicians: The School of Medicine of the University of North Carolina at Chapel Hill designates this live activity for a maximum of 22 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. CRNAs: This program has been approved by the American Association of Nurse Anesthetists for a pending approval maximum of CE credits; Code Number pending; Expiration Date pending. CRNAs should only claim credit commensurate with the extent of their participation in the activity.

Accreditation The School of Medicine of the University of North Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Contact Information For additional information, please send an email to: anesthesiologycme@aims.unc.edu with "CRC 2019" in the subject line. Fee includes certificate of completion and online handouts. Continental breakfast and refreshments provided. Directions with information to on how to download handouts will be sent several weeks before the meeting.

Disclosures This activity has been planned and implemented under the sole supervision of the course directors, in association with the UNC Office of Continuing Professional Development (UNC CPD). This activity has not received any financial support from commercial interests.

ADA Statement If an attendee requires the use of auxiliary aids or services identified by the American Disabilities Act in order to attend this meeting, he or she should contact Lynn Craven at 919-966-0009

Refund/Credit/Payment/Cancellation Policy Cancellation request prior to midnight, May 20, 2019 – a full refund will be issued. After midnight, May 20, 2019– no refunds will be issued. All cancellations must be submitted in writing (fax, email, or postmarked mail). No Substitutes.
