

## General Information

Name:

E-mail:

Phone:

## Education

*This section should include universities that you have attended with dates of attendance and degrees awarded. List in chronological order with most recent first.*

## Awards and Honors

*This section should include awards, fellowships, grants, scholarships, and other honors that you have received **since starting medical school**. Include date awarded. List in chronological order with most recent first.*

## Service and Leadership

*This section should include unpaid service/volunteer activities, leadership positions, and/or other significant impacts you have made within your community **since starting medical school**. Include dates of involvement and number of hours spent per week participating in each activity. List in chronological order with most recent first.*

- *Different positions held within the same organization can be listed as separate activities (e.g. volunteer and director of an organization should be listed as two entries).*

### Example:

Activity name, position

Dates of involvement

Description

Number of hours per week

## Employment/Paid Professional Experience

*This section should include paid employment experiences **since starting medical school**. This includes any activity that resulted in compensation (salary, stipend, etc.) and that would not be considered a volunteer experience. Include dates of involvement and the number of hours spent per week participating in each activity. List in chronological order with most recent first.*

### Example:

Employer name, position

Dates of involvement

Description

Number of hours per week

## Publications and Presentations

*This section should include citations for your publications and presentations. List in chronological order with most recent first.*

- *If work on a research publication/presentation was started prior to medical school but completed while you were in medical school, indicate the amount of time that was spent on this research **during medical school**.*

- *If you have publications/presentations that have been submitted but are currently under or awaiting review, please indicate this.*

### **Research Experience**

*This section should include research experiences in which you have participated **since starting medical school**. List in chronological order with most recent first.*

- *If research was started prior to medical school but completed while you were in medical school, indicate the amount of time that was spent on this research **during medical school**.*

Example:

Research opportunity, position  
Description

Dates of involvement  
Number of hours per week

### **Skills and Certifications**

*This section should include skills and certifications you have received. Include date attained, if relevant. List in chronological order with most recent first.*

### **Additional Experience**

*Use this optional section to list any additional experience/information that you wish to share.*
