

Community Conversation Minutes  
Monday, February 18, 2019

**I. Updates from the President**

- The Leadership Council has been working on the following items:
  - Enhanced programming for the Academy with more opportunities for faculty to join virtually
  - Future program development, such as a peer observed teaching and half-day education bootcamps
  - Other future efforts include more opportunities for scholarship, mentorship, and writing accountability groups
  - Promotion on education track assistance program
- AOE Membership Nominations
  - We have received an unprecedented amount of membership applications, and we are looking to convene a committee to assist with application review. **This committee will meet on March 25, 2019 from 1-3PM.** Some pre-work (reviewing applications before the meeting) will be required. Service on this committee will fulfill one event toward your membership requirement. Faculty at UNC-CH and AHEC sites are eligible for this opportunity. **Please contact Morgan Resnick-Kahle (morgan\_resnick-kahle@med.unc.edu) by Monday, March 11th to express interest.**
