Outstanding New Teammate

The Outstanding New Teammate award recognizes an APP who has joined UNC since June 2024 and has quickly made a significant impact through clinical excellence, engagement, and teamwork. This individual demonstrates outstanding clinical skills and a commitment to high-quality, patient-centered care. They actively engage in professional development, contribute to the healthcare team, and foster a positive, team-oriented environment by supporting colleagues and enhancing the overall success of the APP community.

- Demonstrates exceptional clinical skills, professionalism, and a strong commitment to delivering high-quality, patient-centered care.
- Proactively contributes to the healthcare team, engaging in professional development or institutional initiatives.
- Fosters a positive, team-oriented environment by supporting colleagues, enhancing teamwork, and contributing to a culture of mutual respect and growth.

Physician Partner in Excellence

A Physician Partner in Excellence is a dedicated advocate for Advanced Practice Providers (APPs), actively supporting their clinical practice, leadership development, and professional growth. They foster a collaborative environment, working alongside APPs to deliver high-quality, patient-centered care. Through mentorship and education, they empower APPs with continuous learning opportunities, ensuring they thrive as integral members of the healthcare team.

- Actively supports and champions APPs in clinical practice, leadership, and professional growth.
- Demonstrates a strong commitment to collaborating with APPs to deliver high-quality patient care.
- Provides mentorship and education to support APPs' continuous learning and career growth as valued team members.
