

Hettleman | TALKS

NOVEMBER 4th, 4 - 6PM

Carolina Club, Alumni Hall I and II

Enjoy four 15 minute presentations by this year's recipients of the Phillip and Ruth Hettleman Prizes for Scholarly Achievement. The talks will provide an engaging look into these distinguished young scholars' work in the fields of Chinese studies, public health, molecular, cellular, & developmental biology, and biomedical sciences.

Refreshments will be provided

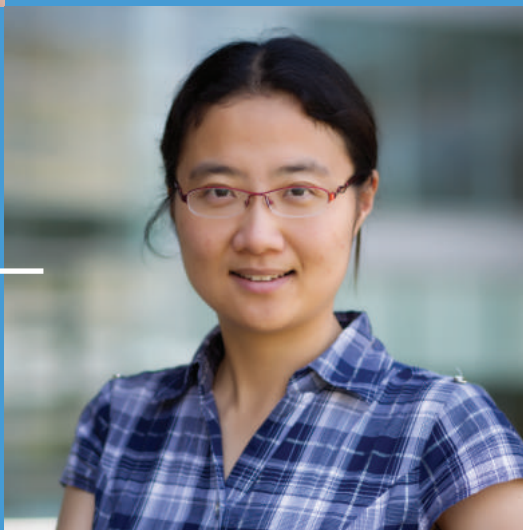

Kavita Singh Ongechi
