

Child Medical Exam Reimbursement Process – Medicaid as Primary Insurance

Who pays for CME referred by DSS?

- Medicaid if Medicaid is primary insurance
- DSS if private or no insurance
- DSS if Medicaid is secondary insurance

What components of the CME Billing does CMEP manage when Medicaid is the primary insurance?

- CMEP provides assurance to Medicaid that the provider has met criteria for enhanced reimbursement for provider time
- Any other components of the appointment such as labs, radiology studies, colposcopy, interviewer time, case conference time, etc are billed as per the facility's usual processes to Medicaid and should not be submitted to CMEP
