Child Abuse & Neglect: Recognition, Interventions & Reporting

Friday, May 11, 2012
Methodist University
Medical Lecture Hall
5400 Ramsey Street
Fayetteville, NC 28311

Jointly sponsored by the Southern Regional AHEC, Children’s Advocacy Centers of North Carolina and the North Carolina Child Medical Evaluation Program
Target Audience/Purpose:
This training is targeted for registered CMEP providers (or those interested in becoming a registered provider) and/or medical providers interested in learning more about child abuse. It is geared to provide specialized medical education that will assist in the evaluation, diagnosis and management of children with a suspicion of maltreatment.

Learning Objectives:
The information presented at this educational activity should improve your ability to: (1) describe characteristics of child sexual abuse, physical abuse and neglect; (2) discuss the importance of clear and comprehensive documentation of children evaluated for sexual and physical abuse and neglect; and (3) describe treatment, follow-up and referral recommendations for children suspected for maltreatment.

ADA Statement:
Southern Regional AHEC, CACNC and CMEP are committed to equality of educational opportunity and do not discriminate against applicants, students, or employees on the basis of race, color, religion, sex, national origin, age, disability, veteran’s status, or sexual orientation. If you require reasonable accommodations for a disability in order to participate fully in this continuing educational activity, please call (336) 886-4589 no later than May 1, 2012 or attach a note to your registration form.

CEU: 0.7 contact hours will be awarded to all other participants who attend 100% of this educational activity and complete the program evaluation at the conclusion.
Training Agenda
