

News from the **RESOURCE HUB**

There are many offices and services at UNC-CH to assist you with conducting research studies. You can now view their contact information on one webpage!

UNC Research Contacts Webpage

The CRSO recently published the UNC Research Contacts webpage on the CRSO website. This webpage includes contact information for various UNC-CH research offices and services.

[Click to Access the Research
Contacts Webpage](#)

The webpage will be regularly updated and is accessible to all UNC-CH staff, faculty, and students. If you have suggestions for contact information to be added to the webpage, please email crso@unc.edu.
