

# Leading Transformation in Academic Medicine

## Chair's Statement

### 2026 – 2027 Program

Name of Faculty: \_\_\_\_\_

UNC School of Medicine Department: \_\_\_\_\_

Department Chair Name: \_\_\_\_\_

LTAM is a cohort-based, 10-month, mid-career leadership development program designed to expand the ability of participants to lead within the field of academic medicine by broadening their understanding of and skills for impact at the individual, departmental, School of Medicine, University, and national levels. This will be accomplished through the introduction of leadership content, group activities, skills practice, and interaction with leaders at each of the levels listed above.

Why is the applicant a good fit for this program? *(to be completed by Chair)*
