

ONE-DAY WORKSHOP

This one-day workshop focuses on the highest-yield POCUS applications for family medicine and primary care. Content is centered on Tier 1 and Tier 2 applications as defined by Project FOCUS. The cost of this workshop is \$725.

Applications covered during the workshop include:

Skin/Soft Tissue	MSK	OB	Abdominal	Pulmonary	Vascular
<ul style="list-style-type: none"> Abscess Abscess Drainage Cellulitis Edema Foreign Body Foreign Body Removal Cyst (Epidermal Inclusion Cyst) Lipoma 	<ul style="list-style-type: none"> Knee Effusion 	<ul style="list-style-type: none"> Fetal Presentation Intrauterine Pregnancy Identification Fetal Heart Rate 	<ul style="list-style-type: none"> Free Fluid in Abdomen Bladder Volume Hydronephrosis 	<ul style="list-style-type: none"> Pulmonary Edema Pleural Effusion Pneumonia 	<ul style="list-style-type: none"> Inferior Vena Cava Abdominal Aortic Aneurysm

One-Day Workshop Schedule

Time	Group Blue	Group Green
7:30 – 8:00	Breakfast and check in	
8:00 – 8:15	Welcome & Introduction to Faculty: Lecture Room	
8:15 – 8:35	Renal/Bladder How to Perform the Scan Lecture: Lecture Room	
8:35 – 9:00	Renal/Bladder Hands-on Scanning: Scanning Room	Renal/Bladder Pathology Lecture: Lecture Room
9:05 – 9:30	Renal/Bladder Pathology Lecture: Lecture Room	Renal/Bladder Hands-on Scanning: Scanning Room
9:30 – 9:40	Refreshment Break	
9:40 – 9:55	AAA/IVC How to Perform the Exam: Lecture Room	
10:00 – 10:25	AAA/IVC Pathology Lecture: Lecture Room	AAA/IVC Hands-on Scanning: Scanning Room
10:30 – 10:55	AAA/IVC Hands-on Scanning: Scanning Room	AAA/IVC Pathology Lecture: Lecture Room
11:00 – 11:25	Soft Tissue Scanning and Pathology Lecture: Lecture Room	
11:25 – 12:10	Lunch: Lecture Room	
12:10 – 12:30	Pulmonary How to Perform the Scan Lecture: Lecture Room	
12:30 – 12:55	Pulmonary Hands-on Scanning: Scanning Room	Pulmonary Pathology Lecture: Lecture Room
1:00 – 1:25	Pulmonary Pathology Lecture: Lecture Room	Pulmonary Hands-on Scanning: Scanning Room
1:30 – 1:40	MSK How to Perform the Knee Scan Lecture	
1:40 – 2:00	Knee Scanning: Scanning Room	Knee Pathology Lecture: Lecture Room
2:05 – 2:25	Knee Pathology Lecture: Lecture Room	Knee Scanning: Scanning Room
2:25 – 2:40	Refreshment Break	
2:40 – 3:00	OBGYN How to Perform the Scan Lecture: Lecture Room	
3:00 – 3:25	OBGYN Image Review: Lecture Room	OBGYN Hands-on Scanning: Scanning Room
3:30 – 3:55	OBGYN Hands-on Scanning: Scanning Room	OBGYN Image Review Lecture: Lecture Room
4:00 – 4:40	Pass the Pointer: Renal/Bladder, Free Fluid, AAA/IVC, Soft Tissue, Pulmonary, OBGYN: Lecture Room	Soft Tissue Mass, AAA Screening, Flank Pain, and Shortness of Breath Cases: Scanning Room
4:45 – 5:25	Soft Tissue Mass, AAA Screening, Flank Pain, and Shortness of Breath: Scanning Room	Pass the Pointer: Renal/Bladder, Free Fluid, AAA/IVC, Soft Tissue, Pulmonary, OBGYN: Lecture Room
5:30	A d j o u r n
