

TWO-DAY WORKSHOP

The two-day workshop builds on the content of the one-day course and then incorporates all Tier 3 and select Tier 4 applications from Project FOCUS. In addition, learners are introduced to foundational cardiac POCUS skills, expanding their diagnostic capabilities in primary care. The cost of this workshop is \$1350.

Applications covered during the workshop include:

Skin/Soft Tissue	MSK	OB/GYN	Abdominal	Pulmonary	Vascular	Cardiac
<ul style="list-style-type: none"> Abscess Abscess Drainage Cellulitis Edema Foreign Body Foreign Body Removal Cyst (Epidermal Inclusion Cyst) Lipoma 	<ul style="list-style-type: none"> Knee Effusion Knee Joint Injection and Aspiration Ganglion Cyst 	<ul style="list-style-type: none"> Fetal Presentation Intrauterine Pregnancy Identification Fetal Heart Rate Intrauterine Device (IUD) Identification Pregnancy Dating by Crown Rump Length 	<ul style="list-style-type: none"> Free Fluid in Abdomen Cholelithiasis Cholecystitis Gallbladder Sludge Bladder Volume Hydronephrosis Foreign Body in Bladder (Foley Catheter) 	<ul style="list-style-type: none"> Pulmonary Edema Pleural Effusion Pneumonia Pneumothorax 	<ul style="list-style-type: none"> Inferior Vena Cava Abdominal Aortic Aneurysm Lower Extremity DVT 	<ul style="list-style-type: none"> Pericardial Effusion Heart Failure with Reduced Ejection Fraction

***Bold indicates topics new to the two-day workshop**

Two-Day Workshop Schedule

Day 1	Group Blue	Group Green
7:30 – 8:00	Breakfast and check in	
8:00 – 8:15	Welcome & Introduction to Faculty: Lecture Room	
8:15 – 8:35	Renal/Bladder How to Perform the Scan Lecture: Lecture Room	
8:35 – 9:00	Renal/Bladder Hands-on Scanning: Scanning Room	Renal/Bladder Pathology Lecture: Lecture Room
9:05 – 9:30	Renal/Bladder Pathology Lecture: Lecture Room	Renal/Bladder Hands-on Scanning: Scanning Room
9:30 – 9:40	Refreshment Break	
9:40 – 9:55	AAA/IVC How to Perform the Exam: Lecture Room	
10:00 – 10:25	AAA/IVC Pathology Lecture: Lecture Room	AAA/IVC Hands-on Scanning: Scanning Room
10:30 – 10:55	AAA/IVC Hands-on Scanning: Scanning Room	AAA/IVC Pathology Lecture: Lecture Room
11:00 – 11:50	Soft Tissue Scanning and Pathology Lecture: Lecture Room	
11:50 – 12:30	Lunch and Learn (Optional - General Competencies, Billing or Credentialing): Lecture Room	
12:30 – 12:50	Pulmonary How to Perform the Scan Lecture: Lecture Room	
12:50 – 1:15	Pulmonary Hands-on Scanning: Scanning Room	Pulmonary Pathology Lecture: Lecture Room
1:20 – 1:45	Pulmonary Pathology Lecture: Lecture Room	Pulmonary Hands-on Scanning: Scanning Room
1:45 – 1:55	Refreshment Break	
1:55 – 2:25	MSK How to Perform the Knee Scan Lecture/Needle Guidance Lecture Room	
2:25 – 2:55	Knee Scanning and Needle Guidance: Scanning Room	Knee Pathology Lecture: Lecture Room
3:00 – 3:30	Knee Pathology Lecture: Lecture Room	Knee Scanning and Needle Guidance: Scanning Room
3:30 – 4:15	Pass the Pointer: Renal/Bladder, AAA/IVC, Soft Tissue, Pulmonary: Lecture Room	Soft Tissue Mass, AAA Screening, Flank Pain, and Cough Cases: Scanning Room
4:15 – 5:00	Soft Tissue Mass, AAA Screening, Flank Pain, and Cough Cases: Scanning Room	Pass the Pointer: Renal/Bladder, AAA/IVC, Soft Tissue, Pulmonary: Lecture Room
5:00	Adjourn	

Two-Day Workshop Schedule (continued)

Day 2	Group Blue	Group Green
7:40 – 8:00	Breakfast and check in	
8:00 – 8:15	DVT How to Perform the Scan Lecture: Lecture Room	
8:15 – 8:40	DVT Pathology Lecture: Lecture Room	DVT Hands-on Scanning: Scanning Room
8:45 – 9:10	DVT Hands-on Scanning: Scanning Room	DVT Pathology Lecture: Lecture Room
9:10 – 9:25	Biliary How to Perform the Scan Lecture: Lecture Room	
9:25 – 9:55	Biliary Pathology Lecture: Lecture Room	Biliary Hands-on Scanning: Scanning Room
10:00 – 10:30	Biliary Hands-on Scanning: Scanning Room	Biliary Pathology Lecture: Lecture Room
10:30-10:40	Refreshment Break	
10:40 – 11:00	Cardiac How to Perform the Scan Lecture: PSAX and PLAX: Lecture Room	
11:00 – 11:30	Cardiac Pathology: Lecture Room	Cardiac Scanning PSAX/PLAX: Scanning Room
11:35 – 12:05	Cardiac Scanning PSAX/PLAX: Scanning Room	Cardiac Pathology: Lecture Room
12:05 – 1:00	Lunch (Optional Q&A): Lecture Room	
1:00 – 1:30	OBGYN How to Perform the Scan Lecture: Lecture Room	
1:30 – 2:00	OBGYN Pathology Lecture: Lecture Room	OBGYN Hands-on Scanning: Scanning Room
2:05 – 2:35	OBGYN Hands-on Scanning: Scanning Room	OBGYN Pathology Lecture: Lecture Room
2:35 – 2:45	Refreshment Break	
2:45 – 3:15	Chest Pain, RUQ Pain, and Swollen Leg Cases: Scanning Room	Pass the Pointer: Biliary, Cardiac: Lecture Room
3:15 – 3:45	Pass the Pointer: Biliary, Cardiac: Lecture Room	Chest Pain, RUQ Pain, and Swollen Leg Cases: Scanning Room
3:50– 4:50	POCUS Megacode	
5:05	Adjourn	

UPCOMING TWO-DAY WORKSHOPS

Registration Link: <https://go.unc.edu/2dayCH>

Up to 16 hours of CME through AAFP.
