 - The "Summary by Pay Code Group" tab is an accrual view for bi-weekly employees and does not include PAATs
 - The "Summary by GL Account" is a financial view and will tie to your Income Statement reports

 Adjustment to benefits cannot be made by end-users. Please contact your FP analyst to adjust benefit rates.

Non-Staffing Expense

- 1. Add/decrease the amount in each account code line by entering the amount in the "Budget 2025 Adj." column.
- 2. To note: you will need to enter the opposite sign for account codes with "INVERSE" in the description
