

# FlowJo™ Software Training

## UNC Chapel Hill

Location: LCCC Atrium

**Thursday, January 15th, 2026**

### Session Details:

**10:00am - 12:00pm | Hands-on training for FlowJo™ v11 Software**

Come learn the newest version of FlowJo Software! We'll work through a shared data set as we tour the new immersive workbench and discuss features unique to this version such as the Metadata Manager, Graph Gallery, virtual concatenation, charts, and integrated algorithms.

To participate, users are expected to bring their own laptop, complete all downloads and installs, and have an active FlowJo Portal license (details to follow by email for registered attendees).

#### PRESENTED BY:

Veronica Obregon-Perko, PhD  
*Senior Scientific Advisor, Informatics*
