

APTA Certified Clinical Instructor Program (Level 1 CCIP)

June 1-2, 2019 8 am – 5 pm (both days)

East Carolina University/Health Sciences Building/Greenville, NC

Sponsors: East Carolina University, Nash Community College, Vidant Medical Center, and the Carolina Clinical Education Consortium

Instructors: *Lisa Johnston, PT, MS, DPT/Associate Chair UNC Division of Physical Therapy*
Jennifer J. Cline, PT, MS Center Manager/Atrium Health

Description: 1.6 CEUs (16 contact hours)

CCIP is intended for PTs and PTAs who intend to provide clinical education in a supervisory role and provides clinicians with the skills to offer a structured learning environment and enhanced clinical education experience for students. Successful course participants will develop the skills to plan and prepare clinical education experiences, support learning through questioning and effective feedback, identify and implement performance evaluation metrics, manage a student with exceptional situations or circumstances, and explore legal implications for clinical educators.

The "Assessment Center" provides each participant with opportunities to apply information from the program in simulated situations. Successful completion of each station of the Assessment Center results in the awarding of APTA CI Credential. The six stations for the Assessment Center have been integrated into the program schedule. All participants must attend each session in its entirety and complete the Assessment Center to be eligible for credentialing.

**To be eligible to attend this course, all participants must complete a participant dossier and accompanying documentation to the credentialed trainer prior to taking the course. The credentialed trainer reviews all documentation to determine the individual's acceptance into the course based on specified criteria (e.g. current license as PT or license/registration/certification as a PTA).*

Course fees: APTA Members: \$190 PT/PTA non-APTA members: \$285.00

*Lunch will be provided both days courtesy of Vidant Health and NCPTA Coastal District.
