

TITLE OF POLICY: UNC PA Program Policy on Jurisdiction of Program Policies

ARC-PA STANDARD REFERENCE(S): A3.01

PURPOSE AND SCOPE:

The Policy on Jurisdiction of Program Policies stipulates that program policies will apply to all students, principal faculty and the program director regardless of location. In the case that a clinical site has requirements or policies that supersede program policies, a signed affiliation agreement or memorandum of understanding will specify those deviations from official program policies.

RESPONSIBLE PARTIES:

- Program Director
- Program Coordinator
- Program Director of Pre-Clinical Education
- Program Director of Clinical Education
- UNC Department of Allied Health Sciences contract office

POLICIES AND PROCEDURES:

- The Program Director must approve all program policies.
- The Program Director must approve any deviations from program policies at clinical sites, and these deviations will be specified in a signed affiliation agreement or memorandum of understanding.
- The Program Director will consider any deviations from program policies after consulting with principal faculty mentioned above in Responsible Parties and, if necessary, institutional legal counsel.
- The policy will be reviewed in even-numbered years.

HISTORY OF APPROVAL AND UPDATES:

- Initial approval by the Program Director, 7 August 2020
