

## **Student Care Referral Form**

Faculty members who have any concerns about a student are encouraged to submit a Care Referral Form <https://dos.unc.edu/student-support/care-referral-form/> or email the Dean of Students office directly ([dos@unc.edu](mailto:dos@unc.edu)) about the situation. If it is important to talk to a staff member in the Dean of Students office before they reach out to anyone impacted, indicate that in the referral or email message.

A care referral form will be assigned to a member of staff in the Dean of Students office for review and response within two business days.

If it is an emergency situation, including an imminent threat of harm to self or others, call the UNC Police Department at 919-962-8100 or call 911. The submission of a Care Referral Form will not address an emergency situation.

If the concern involves discrimination and harassment, including sexual and gender-based harassment, sexual violence, interpersonal violence, or stalking, submit an [EOC Report Form](#).

To speak with a staff member during normal business hours to discuss the concern, call 919-966-4042.
